

**I'M ON MY WAY**

Lift me up to your light, hey, hey  
Lift me up to your light, hey, hey  
Lift me up to your light, hey  
Lift me up to your light, hey  
Lift me up to your light, hey, hey

Can you feel the power  
Can you feel the power  
Can you feel the power, hey hey

I say, hey, hey, I'm on my way  
I say, hey, hey, I'm on my way

Fill me with your love, hey, hey  
Fill me with your love, hey, hey  
Fill me with your love  
Fill me with your love  
Fill me with your love, hey, hey

Can you feel the power  
Can you feel the power  
Can you feel the power, hey hey

I say, hey, hey, I'm on my way  
I say, hey, hey, I'm on my way
