

**HOLY SPIRIT**

When you call on the power of the Holy Spirit  
Be prepared that your life is gonna change

When you call on the power of the Holy Spirit  
Be prepared that your life is gonna change

When you call on the power of the Holy Spirit  
Be prepared that your life is gonna change

When you call on the power of the Holy Spirit  
Be prepared that your life is gonna change

Hear me now, Holy Spirit (I'm callin')  
Hear me now, Holy Spirit (I'm callin')  
Hear me now, Holy Spirit (I'm callin')  
Holy Spirit, hear me now!

Way hey, (Way hey)  
Way hey, (Way hey)  
Way hey, (Way hey)  
Way hey, (Way hey)

(Repeat song 3 times)
